

Checklist to Apply for Health Insurance

Looking to apply for individual or family insurance in Arkansas? Planning on signing up on the Marketplace?

Use this checklist to help you enroll November 1 to December 15, 2017.

What You Will Need to Apply

- Information on how you file your taxes (single, married, head of household)
- Household income you expect in 2018
- For all persons you want on your plan:
 - Home and/or mailing address
 - Social security number
 - Work and income info (such as pay stub, W-2 form, or wage and tax statement)
 - For any current health insurance: the carrier and policy number
 - For any health insurance they had in 2017: notice (proof) from the company with the plan ID number.
- Legal immigrants also need document information.
